**“Oncolys BioPharma Received Approval to List on Tokyo Stock Exchange Mothers”**

Oncolys BioPharma Inc. announced today that it received approval to list its shares on the Tokyo Stock Exchange Mothers Market. The company's common shares are expected to be listed and begin trading on December 6, 2013.

We would like to express our deep appreciation for the warm support of all of stakeholders who have supported us. We will develop new therapies for cancer and serious infectious diseases by our technology based on virology and would like to contribute medical treatment in the world.

As we seek to grow our business a step further and to enhance corporate value in order to meet the expectations of all the stakeholders, we do look forward to your continuous cooperation in our business activities.
